IN RE: Reassignment of Directors to Voting Panel for Docket No. 02-00819 as
a Result of Recusal by Director Pat Miller

The Application of Broadband Innovations, L.L.C. was filed with the Tennessee Regulatory Authority on July 30, 2002. After being assigned a docket number a voting panel consisting of Chairman Kyle, Director Tate and Director Miller was assigned to this docket. This matter was considered at a regularly scheduled Authority Conference held on September 23, 2002. During this Conference, Director Pat Miller recused himself from the voting panel assigned in this docket. Director Miller based this request on the fact that he has had previous involvement with the parties while serving at the legislature.

Chairman Sara Kyle acknowledged Director Miller's recusal and moved to add Director Jones to the panel for this docket. Director Deborah Taylor Tate was in agreement. In order to reflect the action of the Directors at the September 23, 2002 Conference, please remove Director Miller from the voting panel in TRA Docket No. 02-00819 and replace his name with Director Ron Jones. Please post the names of the three Directors of this voting panel on the internet site with the docket.

Should you have any questions regarding this matter, please do not hesitate to contact us.
